HILTON HEAD ISLAND, SC, September, 2016 – Author Jody Bennett Reichel and Lydia Inglett Publishing/Starbooks announce the publication of Jody's long-awaited book, ***Still Before The Dawn, Inspired words for encouragement comfort and strength.***

Still Before the Dawn is the culmination of years of the author's daily, God-inspired writings and devotions, many in the early morning hours on Hilton Head Island when seeking answers to the questions of life that we all face in different forms.

This beautiful hardcover book is illustrated by noted portraitist, Lucy McTier whose watercolors grace the pages of Jody's prose and along with scripture verses provide uplifting comfort to the reader. The book is organized by topics such as: adversity, courage, trust, praise, God's love and many others.

"Still Before The Dawn is an important book and one that will make an excellent gift, particularly when words may be at a loss. We are so pleased to bring Jody's work to light to be enjoyed and provide a beacon of hope." -Lydia Inglett, publisher

"Still Before Dawn is an absolutely beautiful balm to a weary soul. During a season of serious, ongoing concerns in our family, when the light of faith often seemed dim and hard to see, God used these beautiful words and illustrations to remind me of His presence. Dip into these pages, and you'll feel His comfort and encouragement for you and all those who need it."
- Shaunti Feldhahn, best-selling author of *For Women Only*
